

## HGO Concert October 24

### Concise Guidance for ticket purchasers

1. Tickets are being sold online only at <https://hgoconcert.bpt.me/>. No ticket sales or unticketed admission will be allowed at the door.
2. If you have any COVID symptoms and/or a high temperature, please do not attend.
3. There is a maximum of six tickets per purchaser (equivalent to family group/bubble).
4. It is acknowledged that, owing to virus spikes and changes in law or regulations, the concert may have to be cancelled. In such a case, full ticket purchase money will be refunded to the card making the purchase.
5. Ticket prices are: nave or front gallery, £25; side aisles or rear gallery £15.
6. Seats are unnumbered. Within a price block, preference in seating will be given to those arriving earliest – first access from 5.30 pm. All seats sold will have uninterrupted vision to the performance area.
7. Because of the need to seat ticket holders to conform with spacing rules, you must, please, accept the guidance of our stewards as to which will be your seats.
8. Similarly, at the end of the concert, we must avoid congestion at the exit door. Please remain in your seat until a steward guides you to leave.
9. Audience members must wear face coverings from arrival in the forecourt until they are in their seats, and also when leaving. They may be removed during the performance.
10. No drinks will be dispensed at the venue. You may bring your own drinks if you wish, to be consumed only before the concert or at the interval. Please drink without disturbing others and take home with you all bottles, glasses, wrappings, etc.
11. A more detailed summary of arrangements may be downloaded [here](#).
